WHEREAS, the State of Colorado has established procedures in Title 43-1-1103 C.R.S. for the completion of regional transportation plans as a component of the statewide transportation planning process; and,

WHEREAS, the South Central Transportation Planning Region has been established pursuant to rules promulgated by the Transportation Commission Colorado at 2 CCR 601-22; and,

WHEREAS, the South Central Regional Planning Commission has been established pursuant to Title 30-28-105 C.R.S. as the planning commission with authority to complete the regional transportation plan; and,

WHEREAS, the 2050 South Central TPR Regional Transportation Plan and the 2050 Public Transit and Human Services Transportation Plan have been completed under the authority of the South Central Regional Planning Commission and meet all the statutory requirements of regional transportation plans under 43-1-1103 C.R.S.;

THEREFORE, be it resolved that the South Central Regional Planning Commission does hereby adopt the South Central TPR 2050 Regional Transportation Plan and the South Central TPR 2050 Public Transit and Human Services Transportation Plan, both dated September 2025, as their official plans to guide transportation development until superseded by a subsequent updated or amended plans; and,

THEREFORE, be it further resolved that the South Central Regional Planning Commission does hereby submit said plans to the Colorado Department of Transportation.

\_\_\_\_\_, Chairperson  
South Central Regional Planning Commission

Date: \_\_\_\_\_
